

**Monta Vista Track Team 2011**  
**St. Francis Track and Field Carnival**  
**Saturday, April 2, 2011**

**Location**

**St. Francis High School**

1885 Miramonte Ave, Mountain View, CA

You are responsible for ensuring transportation to the meet!

**PLAN TO ARRIVE AT LEAST ONE AND A HALF HOURS BEFORE YOUR RACE TIME!!!** St. Francis has said they have run as much as 30 minutes ahead of schedule in the past so don't be late, you have been warned! As soon as you arrive, go check in for your race. THERE ARE ALTERNATES WAITING FOR MANY RACES AND YOU CAN BE SCRATCHED!

**Meet Overview**

According to the last notice from St. Francis, 34 schools and 500 athletes had signed up for the meet. Big and lots of fun and finally, it looks like we will have some nice weather. Plus they tell me there will be a BBQ. What could be better?

This is a great meet to encourage your parents to attend. It should be good weather, a well run meet, and it is close to home

**3 Things Your Coach Would Like You to Focus on at St. Francis**

1. **Focus:** In a big meet it is easy to get really amped up. Think about some of the key things you want to do right: Start warming up about 45 minutes before your race, or whenever you usually do; do all your drills and dynamic stretches and FOCUS on doing the drills correctly; review the correct baton pass procedures that we practiced; review your race plan. Remember, ***'This is a REALLY GREAT day to race!'***
2. **Finish Hard:** We have several relay teams entered. Every second can be important. So when you get to the exchange zone to deliver the baton, do not let up! Drive into the exchange zone, assume that the teammate you are delivering to is amped up and taking off fast, and you must go catch them! A sign of a poor team is that the exchange is made with the incoming runner pulling up. Don't pull up until your teammate yanks the baton out of your grasp, then dive towards the infield. Monta Vista relay looked GREAT at Stanford, let's keep it up!
3. **Set a high bar for sportsmanship:** Say thanks for being there to a volunteer or two on the way into the stadium. Say good luck to your competitors and congratulations afterwards. Don't forget to remind your teammates that 'It's a great day to race.' And thank your parents for supporting you and thank whoever drives you to St. Francis.

**Notes**

- NO ELECTRONICS OF ANY TYPE ON THE FIELD! Leave it with me. Expect them to be sticklers.
- All uniforms must match exactly; expect uniform rules to be enforced.

- Get to bed early no matter what time your race is! Let's say, be in bed at 10pm.
- Get up at least 3 hours before your race start.
- Eat a good or light breakfast – I like a banana, toast, and some protein such as peanut or almond butter, orange juice. A lot of people like oatmeal with some raisins and nuts. If you are not racing until the afternoon, a slightly bigger breakfast and a snack about 3 hours before your race is a good idea. Whatever you eat, write your menu down; afterwards, if you have a good race, you might want to repeat this routine. If you don't run very well, maybe this menu is something to think about changing. Don't eat junk or sports beans or something like that; eat good food.
- Bring a snack/lunch for after your race. A mix of protein and carbs are good, such as a peanut butter and jam sandwich, or a turkey sandwich, and a piece of fruit.
- Check the weather report to figure out what clothes to bring! Dry clothes for after the race.
- You are responsible for arranging how to travel to and from the meet!

### Don't forget to pack

- Your school issued uniform.
- Running shoes, spikes, extra spikes, spike wrench or throwing shoes.
- **Check and change your spikes the night before!** At a big meet it can be nerve-wracking to mess with spikes at the last minute.
- Warm up shoes and socks.
- Vaseline to lubricate spikes before screwing them into shoes.
- Extra clothing as needed—sweats, dry clothes, even underwear and socks in case of cold, rainy, or hot weather.
- **Water** and water bottle!!! And food.
- Sunscreen, hat, sunglasses.
- Garbage bags are good to keep your gear dry or can be emergency rain gear.
- Toilet paper (invitational meets always run out).
- Any medications you need.
- Homework for any downtime.
- \$\$\$\$ (emergencies, food, t-shirt...)
