Monta Vista League Home Meet Vs. Mountain View

Transportation

Guess what—all you have to do is walk out to the track! We have a home meet.

Location & Start

Our track! 3:30pm—scheduled meet start. All team members have been scheduled for early release at 2:15pm to give you time to get dressed, get out to the track and warm up.

Meet Overview

This is our first home meet of the year so let's make it a burner! This is our first dual meet of the year. Let's go out there and compete!

A few things to remember: You must stay clear of the start/finish area, especially clear of the camera area – if you kick the tripod, the meet stops to re-align it. Don't look over the timer's shoulder, live results will be available on-line. (But please go say thank you to our timer, Hank Lawson. Hank is the best timer around, and is a huge supporter of CCS track and field. He is a new grandfather and he still times meets! It's a really nice thing to tell him that his work is appreciated.) Do not cross the start/finish line and set off the camera.

PLEASE READ THE SCHEDULE SO THAT YOU KNOW WHEN YOUR EVENT IS RUN!

3 Things Your Coach Would Like You to Focus on at During this Meet

1. **Organization:** Pay attention to how the meet is proceeding so that you are ready to go for your event. Let's help keep the meet moving along promptly. Listen carefully to the starter's instructions as he will be trying to move things along. Set up your blocks as soon as your spot is clear don't focus on the athlete in front of you. If you are a jumper or thrower, be ready at the start; if your event is 'open pit' get your jumps done early. **Be at the start of your event 5 minutes early; don't wait for an invitation to fill a lane at the start, get in your lane and start getting ready.**
2. **This is our House:** When you are on the track give a fierce effort, and as soon as you are done congratulate the finishers around you. Cheer your teammates...shake the hands of your competitors before and after your race...**compete and give your best effort.**
3. **Demonstrate that Monta Vista values our community:** We will have many parents, Octagon students and teachers volunteering at our meet, and we can't do this without them. We also have a new timer to thank. Please thank at least one of the teachers, kids or parents for volunteering. It would be very gracious to say 'thank you'—even if you don't know the teachers personally, this is a great time to introduce yourself!

Notes

- You MUST be **marked with your ID number** before the start of the meet! **Know your ID number!**
- You must wear your school uniform!
- Get to bed early the night before! Let's say, be in bed at 10pm. You can still get your homework done—but there is probably no time for updating Facebook or running up your Fortnite PR! ☺
- Bring a bottle for water.
- Eat well! Have a good breakfast – I like a banana, toast, and some protein such as peanut or almond butter, orange juice. A lot of people like oatmeal with some raisins and nuts. For lunch, something healthy and not too heavy; maybe a turkey sandwich on whole-wheat bread, peanut/almond butter and jam sandwich (it's not just for kids!), or a pasta salad, a carrot, and some fruit (a banana is good!) and an oatmeal cookie. Maybe a big rice bowl with veggies and fish or chicken. A corn dog from the school cafeteria and Flaming Hot Cheetos is a horrible idea! Whatever you eat, write your menu down; afterwards, if you have a good race, you might want to repeat this routine. If you don't run very well, maybe this menu is something to think about changing.
- Bring a snack for after you are done competing. A mix of protein and carbs are good, such as a peanut butter and jam sandwich, or nuts and a piece of fruit, or perhaps a good health bar.
- Check the weather report to figure out what clothes to bring! Have dry clothes for after the race.
- You are responsible for arranging how to travel to and from the meet!

Don't forget to pack

- Your school issued uniform.
- Running shoes, spikes, extra spikes, spike wrench or throwing shoes. Check and change your spikes the night before! Don't get all agitated messing with spikes before the race.
- Warm up shoes and socks.
- Vaseline to lubricate spikes before screwing them into shoes.
- Extra clothing as needed.
- **Water** and water bottle!!! And food.
- Any medications you need.
- Hair ties.
