

SCVAL 3: Baylands 5km

Tuesday, October 19, 2021

“Grittier students are more likely to earn their diplomas; grittier teachers are more effective in the classroom. Grittier soldiers are more likely to complete their training, and grittier salespeople more likely to keep their jobs. The more challenging the domain, the more grit seems to matter.”

-- Angela Duckworth

Baylands Regional Park:

999 East Caribbean Drive, Sunnyvale, CA 94089

Parents: note there is \$6 parking per car ☹

We are returning to Baylands for the second meet this year, and it's also our third league meet, so we should have our routine pretty set: Camp location, course, chips and bibs are now well known to everyone. So let's do all the details well!

We do know that the Baylands course is more challenging for runners, so here is a request / suggestion...when you are not racing, spread out on the course so you can cheer for and support your teammates!

General: The City of Sunnyvale is very finicky about their park! Please be very conscious of trash, keep everything clean; if you see a piece of plastic or trash on the ground, pick it up, even if you didn't drop the trash! There will be trash and recycling bags near our camp also. There are many porta-potties for your use.

SCORE YOUR KARMA POINTS: Remember to thank the volunteers and workers! Los Altos is running the meet in 2021. Running a meet is a lot of work! If you see the Los Altos Coach Stephanie MacKenzie, and walk up to her and say ***'hey coach! Thanks for putting on this meet, I think this is great!'*** they will feel their effort matters to you.

People truly notice and appreciate your gratitude and your sincere thanks.

Release Time and Transportation:

You have been released from school at lunchtime. At the parent meeting, the parents present opted not to get a bus to Baylands this year. ~25% of the families are working together on a car pool. EVERYONE ELSE must arrange their own transportation.

Varsity Boys should plan to arrive no later than 2:00pm to get settled and have time to warm up; Varsity girls, 2:30pm; everyone else **no later than 3:00pm** so you may cheer for your teammates in the first race at 3:15pm.

“There are no shortcuts to true excellence.”

-- Angela Duckworth

Notes:

- Start the day with a glass of water and stay hydrated!
- Eat a healthy lunch. You do not want a stuffed-full stomach, but you do not want to be on empty either. Hopefully by this point in the season you have a pretty good idea of what kind of breakfast and lunch prepares you for a good practice--**or race**--in the afternoon! Keep focus on these details.
- We will set up camp the same place as in prior years. There are no tents allowed.
- Bring a snack for after your race.
- Don't forget your uniform. (All of it!) Wear your uniform or other purple or MV gear at all times!
- As I type this the weather forecast says 85 degrees; that looks like pretty warm running. Be well hydrated, as always!!!
- Always be prepared, keep **3 large trash bags in your track bag**: 1-for your dirty, sweaty, smelly, wet, muddy clothes after your race; 2-for your track bag if it is rainy or muddy; 3-emergency rain poncho (OK this is unlikely on Tuesday but just keep these in your bag!)
- Find your 'sprint point' 60 seconds to two minutes from the finish line and commit to yourself that you will make a fast finish.
- If you finish in the top 50 in your class (freshman, sophomore etc) you will score points towards the SCVAL Cup:

Warm-Up:

Find your warm-up leaders, an hour before the race and stick with them! Be at the starting line at least 15 minutes before the start. On the Baylands course, it's a good idea to get to the start more than 10 minutes ahead because you can cheer for the race before you—they finish right in front of the start!

Course:

5Km Miles of dirt and grass. The course has multiple loops, with the loops slightly different, so keep your head up and pay attention to where you are. No one made a wrong turn last year but a wrong turn is possible. There should be people everywhere to help you around the course but ultimately it is the runner's responsibility to stay on course. Have fun with your race and run smart!

Who Runs What: Here are the varsity entries...we will finalize the rest of the Baylands entries after De La Salle on Saturday.

TIME: RACE:
