

Monta Vista Track Team 2023
The Meet Sheet! Monta Vista League Meet vs. Saratoga
April 6, 2023

Transportation

YOU are responsible for arranging your transportation to Saratoga High School, and you are responsible to be there on time! If you are driving, don't leave with an empty seat in your car (especially invite Freshmen and Sophomores who can't drive themselves). You are all smart—I know you can figure this out—we always do!

Location & Start

Saratoga High School
20300 Herrimen Ave, Saratoga

4:00pm—scheduled meet start. Plan to arrive by 2:45 to get settled (you can arrive a little later if you are not in the first event but we expect everyone there when the meet starts). Warm up with your event group. All team members have been scheduled for early release at 2:10pm. If you are in the 4x100 or 1600m make sure that are head straight to Saratoga and get going with your warm up directly!

Field event athletes...note that Saratoga runs each division separately. The order for each event is shown below. Report to your field events at the start of the meet or before the meet to make sure you are signed in and know when it is your turn to compete. They may still combine some divisions but that is not the plan.

3 Things Your Coach Would Like You to Focus on at Saratoga

1. **Positive Mental Attitude:** *"This is a GREAT day to race!"* Say this out loud when you are heading to the starting line (or the jump pit!). Having a positive attitude will really help! Say good luck to your competition, too. During the race, focus on competing and doing our best. We are so lucky to be able to go out and run/throw/jump! If you had a good day at school, be happy about your day and roll into the track meet with a smile on your face; if you had a bad day, be happy that you can change your day and end by competing in a track meet! You compete better with a song in your heart and a smile on your face. You can *choose* to be positive.
2. **Help this meet run well!: MOVE HURDLES!** If you finish your events, offer to help somewhere. Thank at least one of the officials or volunteers for being out there. Thank the timers and the judges. We would not have these races without them. Help move a few of the hurdles if you are just hanging out, you make the job easier for everyone. Thank the Saratoga coaches, too.
3. **This is not your first competition anymore!** Even if you are a freshman, you have ran in three dual meets already—so you are now a veteran! This is the time of the season to get PRs. Go up to the start and be confident. Be a little more bold as you compete—don't be afraid to go for a little extra. Push your envelope. Think more about strategy and success, think about what you learned against Mt. View, Santa Clara and Wilcox You can accomplish more than you might think you can!

“The human spirit is indomitable. No one can ever say you must not run faster than this or jump higher than that. There will never be a time when the human spirit will not be able to better existing records.” (or...your personal records)

– Sir Roger Bannister

Notes

- You **MUST** be **marked with your ID number** before the start of the meet! There will be a clipboard in the stands with your number and a Sharpie.
- Get to bed early the night before! Let’s say, be in bed at 10pm. You can still get your homework done—but there is probably no time for updating Facebook! ☺
- Eat well! Have a good breakfast – I like a banana, toast, and some protein such as peanut or almond butter, orange juice. A lot of people like oatmeal with some raisins and nuts. For lunch, something healthy and not too heavy; maybe a turkey sandwich on whole-wheat bread, peanut/almond butter and jam sandwich (it’s not just for kids!), or a pasta salad, a carrot, and some fruit (a banana is good!) and an oatmeal cookie. You don’t want to stuff yourself with an entire pizza but you definitely don’t want to be hungry either, you need to be filled. Whatever you eat, write your menu down; afterwards, if you have a good race, you might want to repeat this routine. If you don’t run very well, maybe this menu is something to think about changing. Keep improving!
- Bring a snack for after you are done competing. A mix of protein and carbs are good, such as a peanut butter and jam sandwich, or nuts and a piece of fruit.
- Check the weather report to figure out what clothes to bring! Have dry clothes for after the race. Pack a couple of trash bags to keep your gear dry!
- You are responsible for arranging how to travel to and from the meet.

Don’t forget to pack

- Your school issued uniform.
- Running shoes, spikes, extra spikes, spike wrench or throwing shoes. Check and change your spikes the night before! Swapping out or tightening spikes is annoying on race day.
- Warm up shoes and socks.
- Vaseline to lubricate spikes before screwing them into shoes.
- Extra clothing as needed.
- **Water** and water bottle!!! And food.
- Any medications you need.
- Hair ties.
