Transportation

YOU are responsible for arranging your transportation to Santa Clara High School on time! If you are driving, don't leave with an empty seat in your car (especially invite Freshmen and Sophomores who can't drive themselves and don't have any options). You are all smart—I know you can figure this out—you always do!

Location & Start

Santa Clara High School, 3000 Benton St, Santa Clara, CA 95051

3:30pm—scheduled meet start. All team members have been scheduled for early release at 1:45pm.

You are responsible for getting yourself to and from the meet! If you are in an earlier event, you will have to hustle to the meet and warm up right away! Everyone should be there for the team warm-up lap at 2:30pm (jog + cheer). After that, warm up with your event group at the proper time.

All triple and long jumpers **must** check in and complete all run throughs by 3:30pm.

Meet Overview

We all need to compete for every spot, every point will count! Weather forecasts actually look not *too* bad, but bring layers, dry clothes, and three trash bags to keep your bags and gear dry.

Bring the H.E.A.T!

Be **H**elpful with the meet and put yourself to work on hurdles/block crew, jump pit raking, etc. when you're not competing

Be **E**arly to your event, which means get your warm up started with plenty of time!

Be **A**ware of what's going on - know what events are happening and which ones are coming next. Do not walk on the track if it's unsafe to do so. **KEEP TRACK OF YOUR BELONGINGS!**

Be **T**eam-oriented! Cheer your teammates on as they compete on the track *and* in the field! High-five after a good race/attempt; provide support and encouragement after a bad race/attempt. Be there for each other and win together!

Notes

- You MUST be marked with your ID number before the start of the meet! Know your ID number!
- Get to bed early the night before! Let's say, be in bed at 10pm. You can still get your homework done.
- Eat well! Have a good breakfast and healthy but not too heavy lunch. Whatever you eat, it's a good idea to write your menu down; afterwards, if you have a good race, you might want to repeat this routine.
- Check the weather report to figure out what clothes to bring! Have dry clothes for after the race.
- **You are responsible for arranging how to travel to and from the meet!**
